Dear Sir/Madam

Ref: Project Restore in the USA Recommendation no 20010127{10KIDS}

The above named organization is well known working together with **International Safety Training Leaders (ISTL)** in South Sudan. The **Project restore** was one of our most committed organizations since we get partnership with one another until now. The project restore do sponsored South Sudan Orphans to Uganda.

During our collaboration time with **project restore** Catherine Keck Founder & Executive Director, she is very industrious & cooperative. She is execute duties & answerable with a lot of talented & shining.

I highly recommended **project restore** to continuing, with their supports to South Sudan Orphans taking them from here in Narus to Uganda for the education purposes of their life in future.

Finally Catherine Keck & board do more and God will do the rest for you.

You’re faithfully.
